Participant Release of Liability

Please read before signing

I have chosen to perform damage clean-up caused by the June 2011 flood.

I understand that this work entails a risk of physical injury and often involves hard physical labor, heavy lifting and other strenuous activity, and that some activities may take place on ladders and building framing other than ground level. I certify that I am in good health and physically able to perform this type of work.

I understand that I am engaging in this project at my own risk. I assume all risk and responsibility as well as related costs and expenses for any damage or injury to my property or any personal injury, which I may sustain while involved in this project.

I understand the need for confidentiality and will not discuss, photograph or otherwise disclose identifying information about the occupants of the house I am working in without prior permission from Lutheran Disaster Response and the family. This includes any reference to names, addresses, or other identifiable information.

By my signature, for myself, my estate, and my heirs, I release, discharge, indemnify and forever hold Lutheran Social Services of North Dakota / Lutheran Disaster Response, together with their officers, agents, servants and employees, harmless from any and all causes of action arising from my participation in this project, including travel or lodging associated therewith, or any damages which may be caused by their own negligence.
