YOU ARE REQUIRED TO TURN STATS IN MONTHLY, WHETHER YOU PLACE AN ORDER OR NOT!

Only agencies providing both food baskets and prepared meals need to complete both sections.

**Food Pantry:** An agency that distributes food boxes to individuals to take and use in their own home. We are looking for *unduplicated* numbers, so please only count each individual and household served once per month.

- If you do not serve anyone from Minnesota please disregard the Minnesota Food Baskets section.

**On-Site Meal Provider:** An agency that serves meals and/or snacks at their program site. We are looking for a *total* number of meals/snacks served per month and an *unduplicated* number of individuals served each month.

*Example:* Let's say that you serve 2 meals and 1 snack per day. You serve 12 adults and 15 children each day. Your statistics would be as follows:

*Meals Served: 1620 (27 individuals [children + adults] x 2 meals per day x 30 days in month)*

*Snacks Served: 810 (27 individuals x 1 snack per day x 30 days)*

*Children Served: 15 (only count each child served once per month)*

*Adults Served: 12 (only count each adult served once per month)*

**\*\* If you are providing stats for more than 1 agency, you MUST fill out a separate form for each agency\*\***

If you have any questions about filling out this form please call Missy Sobolik at 701-232-6219.
